Mad Science® is on a mission to spark the imagination and curiosity of children by providing them with fun, interactive, and educational programs that instill a clear understanding of what science is really about and how it affects their world. "FIZZ'-ICAL PHENOMENA & CHE-MYSTERY - Take a walk on the wild side in this crazy week

of sleuth science. INVENTIONATION - With a little bit of ingenuity, you'll construct catapults and forts and then lay siege, fabricate a winning Egg Drop design, construct a dancing robot, and assemble a working light saber to take home. JET CADETS - It's a bird! It's a plane! No, it's everything from the

earliest flying machines to the first rocket flights. LITTLE GREEN THUMBS - Blossoming minds will love this week! Learn what seeds need to grow and discover the role that bugs and butterflies play in making your garden grow. NASA: JOURNEY INTO OUTER SPACE - Mad Science and NASA have teamed up to bring you the excitement and wonder of space in this new voyage of discovery. NATURE'S ANATOMY ACADEMY - Learn about insects, birds, beasts, and you from the inside out in this action-packed week. REACTIONS IN ACTION -Experiment with inertia and gravity as you learn what football players, ballet dancers, and scientists have in common. SPY ACADEMY - Step into the shoes of a detective as you uncover the science involved in evidence gathering and analysis.

Synch Into Summer With Synchronized Swim

JUMP IN with the Santa Clara Aquamaids and learn the basics of synchronized swimming! Skills and confidence will blossom through our program that combines synchronized swimming basics, conditioning, flexibility, and performance skills. The camp culminates in a synchronized swimming exhibition. Participants will enjoy the combination of artistry and athleticism that this sport has to offer. Our experienced coaching staff includes Olympic coaches, Olympic medalists, and National Champions. Participants need to be proficient in swimming 25 yards.

Santa Clara Tennis Center Summer Camps

Camps take place at the Santa Clara Tennis Center, 2625 Hayward Drive.

Little Tennis & Rallyer Camps:

Ages 4-6 years. Student-Instructor Ratio 5:1.

Specially designed tennis nets, racquets, and low bouncing balls are used to provide an enjoyable learning experience for younger players (4-6 years). Several short breaks are taken so that students can regain energy and cool down. Little Tennis students will learn to recognize, demonstrate, and successfully hit the forehand, backhand, and serve. They will learn parts of the racquet and court, and improve coordination and motor skills (i.e. balancing, overhand throwing, catching, shuffling, etc.). Little Rallyers will work to improve their full court abilities through a series of drills and games.

Junior Improvement / Match Play Camps:

Ages 7-15 years. Student-Instructor Ratio 8:1.

Students are grouped by age and ability levels on the first day of class. Introductory students will learn and improve their forehand, backhand, volley, overhead, and serve through our unique "court rotation and activity system." Intermediate and Junior Team students will

develop specialty shots and learn introductory singles and doubles strategy through live ball drills and match play. The instructor(s) will help players with scoring, rules and match strategy.
